

The Community Music Center gratefully acknowledges all the donors to the 2009 Annual Fund & Endowments

Many thanks to the contributors listed below, and to the hundreds of others who have supported our vital mission through purchases, event attendance, and donations of goods, services, time & talent. CMC would not exist without your help.

Gifts included are from November 2008 through October 2009. In-kind contributors and volunteers are listed in CMC News. If we have made an error in this list, please accept our apologies and tell us how we may correct it.
