Supporting programs of:

Year End, 2021

Dear Friends,

Last summer we were proud and excited to support the return to in-person music-making through the “CMC in the Park” program, where choirs, orchestra, and other group classes were able to convene in beautiful Kenilworth Park. And we are now so happy that lessons and classes are back in the CMC building on Francis Street, and are expected to return to in-person at the Rosewood Initiative in the Winter.

With the ongoing social and economic changes caused by the pandemic, students in our community still need the stability and expression that music gives them.

Please donate today to help us continue to support music education for those in need.

Music students will continue to need resources, equipment, and services not covered by City funding, so we still need your help.

Please consider a gift to the CMC Inc. to help sustain our 66-year-old tradition of providing access to quality music education. Donations to CMC Inc. do not offset funds from the City for the Community Music Center’s programs.

We are getting through this difficult time together, and we thank you for being part of the CMC community.

Sincerely,

Brian Wagner, CMC Inc. Board President

Gregory Dubay, CMC Director
